FREE Online CPD Conference for Schools Supporting Service Children

Monday 28th February 2022
3:30 – 5:30pm

- Understanding Service children's lives and how the Alliance helps
- How schools can use the Thriving Lives Toolkit to help Service children thrive
- Who can help schools help Service children thrive, and how?

The evidence-based Thriving Lives toolkit explains the 7 principles of effective support for Service children in school and provides self-reflection questions linked to further guidance, case studies and resources.

At this conference you will explore the principles, and associated new CPD resources, reflect on your practice and plan action back in school.
